

## Clinical Data, Inc. Included in Russell 3000(R) Index

NEWTON, Mass., Jun 30, 2008 (BUSINESS WIRE) -- Clinical Data, Inc. (NASDAQ:CLDA) today announced that it has been added to the broad-market Russell 3000(R) Index, an investment tool comprised of 3000 of the country's largest and most liquid stocks. Russell Investments reconstituted its set of U.S. and global equity indexes on June 27, 2008.

Clinical Data's membership in the Russell 3000, which remains in place for one year, means automatic inclusion in small-cap Russell 2000(R) Index as well as the appropriate growth and value style indexes. Russell determines membership for its equity indexes primarily by objective, market-capitalization rankings and style attributes.

The Russell 3000 also serves as the U.S. component to the Russell Global Index. Russell indexes are widely used by investment managers and institutional investors for index funds and as benchmarks for both passive and active investment strategies.
